---	--	--	----------------

The National Contact Point (NCP) for Digital Technologies in France and the European Federation of XR Professionals (Euromersive), invite you to a workshop dedicated to the Horizon Europe topic:

[HORIZON-CL4-2022-HUMAN-01-14: eXtended Reality Technologies.](#)

that will take place **online** on **Thursday 21st October 2021** from **17:00 to 18:30 (CET)**.

This event is open to all stakeholders and is particularly aimed at SMEs and startups interested in participating in Horizon Europe collaborative XR projects.

The objective is to provide you with the opportunity to meet with other participants from your discipline and from other disciplines, and share your innovative ideas and needs with the aim of paving the way for future cooperation.

The cooperation strategic targets are to:

- 1) express your value proposition in the projects
- 2) share the tools and infrastructures for the technology validation
- 3) if possible, form core consortia ready to include other stakeholders

Participation to the workshop is *free of charge*. Please register before **19 October 2021, 14:00 (CET)** at this [link](#).
