

General information

Organisation name : **OW2**
Contact name : **Pierre-Yves GIBELLO**
Email address: ***pierre-yves.gibello@ow2.org***

Targetted topics:

- **HORIZON-CL4-2022-DIGITAL-EMERGING-01-26**
Open source for cloud-based services
- **HORIZON-CL4-2022-HUMAN-01-03**
Internet architecture and decentralised technologies

Competencies

1. OW2: European open-source community (non-profit association)

<https://www.ow2.org>

- a. Host and promote open-source projects and initiatives in professional information systems.
- b. Members include SMEs, big companies (Orange, Microsoft, Engineering...), academics (Inria, Fraunhofer Fokus, University of Oslo...), institutions (City of Paris, french « Gendarmerie Nationale »), and 2500+ individuals.

2. Dissemination and exploitation package (strong experience on 14 EU / FR projects since 2010)

- a. Infrastructure hosting: collaboration (web / wiki, mailing lists, shared documents, online meetings...), code (Git repo + CI/CD) and platform / use-case hosting, dedicated servers when required.
- b. Communication / Dissemination / Community building: industry events, webinars/workshops, beta-testing campaigns, interviews, videos, social media, press releases...
- c. Exploitation: MVP definition, business/exploitation plan, open-source code hosting beyond the project end (as full-fledged OW2 project).
- d. Skilled open-source professionals backup (OW2 employees) : marketing coordinator, system administrator, research engineer.
- e. (Optionally) use-cases: based on existing open-source OW2 projects (when applicable), can be supported by OW2 members.
