Day 1

Tuesday, 14 November 2023

10:00- 10:30	WELCOME COFFEE	
10:30 - 12:30	Opening Session: The European R&I landscape: Vision and ambition to speed up the transition to a sustainable European Economy 10:30-10:40: Welcome – Moderator 10:40-10:55: The European Battery Alliance: From political will to gigafactories in Europe 10:55-11:10: France in Europe to support the development of a competitive and sustainable EU battery value chain 11:10-11:30: How gigafactories drive innovation 11:30-11:50: What's next for EU funding? The new Batt4EU Strategic Research and Innovation Agenda 11:50-12:20: Roundtable – Reflections on the new Batt4EU SRIA 12:20-12:30: Q&A	
12:30 - 14:00	LUNCH	
14:00 - 15:30	Breakout 1: Hitting the road: what research is left to do for mass EV deployment?	Breakout 2: Self-healing batteries. Can we dream about an everlasting battery ?
15:30 - 16:00	NETWORKING COFFEE	
16:00 - 18:00	Education at the heart of a competitive European Battery value Chain: The Battery Young Research Award 16:00-16:05: Welcome – Moderator 16:05-16:15: Battery Young Research Award presentation and delivery - Moderator 16:15-16:45: Battery Young Research Award promotion - Awardee 16:45-17:10: The educational needs to skill up the European workforce 17:10-17:45: Panel – Education and jobs: The opportunities created by the battery value chain 17:45-18:00: Q&A	
19:00- 22:30	Cocktail Reception + seated dinner*	

*Access to this networking event is free and open to all BID 2023 participants. Please secure your spot at this networking opportunity by adding the dinner ticket to your basket at checkout. To avoid food waste, spaces will be allocated on a first-come-first-served basis.
You won't want to miss it!

Day 2

Wednesday, 15 November 2023

9:30 - 10:30	Creating a circular battery value chain: From raw materials to recycling 9:30-9:35: Welcome – Moderator 09:35-9:50: Critical Raw Materials Act and its impact on European battery value chain 09:50-10:15: Panel, Implementing the Critical Materials Act for the EU battery ecosystem 10:15-10:30: Q&A
10:30 - 11:00	NETWORKING COFFEE
11:00 - 12:30	Breakout 3: Moving to sustainable battery: Challenges and innovation
12:30- 13:30	Breakout 4: Sodium solutions: can we push Na-ion to the next level?
13:30- 15:00	NETWORKING LUNCH
14:00 - 15:00	Closing Session 13:00-13:05 Welcome – Moderator 13:05-13:25 Piloting on a Giga scale 13:25-13:45 To be announced at a later date 14:05-14:45 Round table: Ensuring access to research access for European battery research 14:45-15:00 Final statement
15:00 - 18:30	SITE VISIT*
15:30 - 17:30	Innovation Uptake Workshop This session is designed to support innovative projects in the battery field to successfully transition from the development stage to the commercial market. To register for this event click here!

*Join us at the site visit in the afternoon of Wednesday, 15 November! Spots are limited and allocated on a first come, first served basis.
