

**Save the date for the Third Forum of the Mission on Adaptation to Climate Change
23 May 2024, Brussels, Belgium**

We are delighted to announce the Third Forum of the [EU Mission on Adaptation to Climate Change](#) scheduled for 23 May 2024 under the Belgium Presidency of the Council of the European Union.

The annual Forum is a major governance element of the Mission, convening national, regional and local authorities, European institutions, Charter Signatories, and Friends of the Mission. It provides a valuable opportunity to take stock, identify barriers and opportunities, and define the path ahead. The event will showcase regional initiatives on adaptation and enable dialogue between the community of participants.

You will have the opportunity to take part in site visits across three Belgian regions – Flanders, Wallonia, and Brussels – on 22 May 2024 to discover some of the regional initiatives towards climate change adaptation and resilience. Later that evening, we invite you to join us for an evening of networking and socialising at a pre-conference social function in Brussels.

Key information

Times, dates, and locations:

- 22 May, throughout the day: site visits in Wallonia, Flanders and Brussels.
- 22 May, 19:00 - 21:00 CET: pre-conference networking event, Brussels.
- 23 May, 09:00 - 18:00 CET: Third Forum of the EU Mission on Adaptation to Climate Change, Brussels.

Options for attending both online and in-person will be available.

We very much hope that you will join us for this important event so please save these dates in your diary. Further information will be issued in January 2024.

With best wishes
