Horizon Europe Missions Brokerage Event 2024

21-22 May – Online

Do you intend to prepare a proposal addressing a topic under the upcoming EU Missions calls?

The on-line international brokerage event organised on **21-22 May** will be dedicated to gather all the relevant stakeholders intending to apply for funding in the new calls included in the updated EU Missions and Cross-cutting Activities work programme. **This event will help potential applicants to build their consortium for the 2024 Missions calls, which are published in April 2024.**

The event focuses on following Horizon Europe Missions calls:

- Adaptation to Climate Change
- Cancer
- Restore our Ocean and Waters by 2030
- 100 Climate-Neutral and Smart Cities by 2030
- A Soil Deal for Europe
- Destination: New European Bauhaus
- Cross-cutting activities

The event will include the plenary session and on-line bilateral meetings with partners interested in the same topics. Following successful registration and activation of your profile participants can pre-arrange bilateral meetings by a user-friendly matchmaking tool.

The event is organised by the NCP4Missions network of Missions National Contact Points.
