The poster features the logos of the European Union, Marie Skłodowska-Curie Actions, and Université Clermont Auvergne. The main title 'MASTER CLASS MSCA PF' is in large, bold, teal letters. Below it, the text asks if the reader is a talented young researcher and if they would like to apply for an MSCA PF grant, noting that experienced researchers are looking for candidates. It invites participation in the Master Class at Université Clermont Auvergne to write a proposal. The dates '9-11 June 2026' and location 'Clermont-Ferrand France' are provided. An illustration shows three people in a meeting. At the bottom, it mentions support from 'clermont métropole' and 'SITE CLERMONT'.

WHAT IS OFFERED BY OUR MASTER-CLASS? :

Paris 1 Panthéon-Sorbonne University, CNRS and IRD organise an on-site masterclass dedicated to candidates preparing a proposal for the Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA-PF) 2026 call with a supervisor from a research unit within the Paris 1 Panthéon-Sorbonne University perimeter. This intensive and interactive masterclass is designed to help postdoctoral researchers submit a high-quality and competitive MSCA-PF proposal, while boosting their chances of success. It provides structured methodological guidance and personalised support throughout the proposal preparation process.

The programme of the masterclass includes:

- Decoding MSCA rules, evaluation criteria and expectations
- Proposal-writing workshops
- Feedback from experienced EU grant professionals, evaluators, supervisors and MSCA fellows

Candidates will also meet their future supervisor and visit their host research environment.

RESEARCH AREAS (KEY WORDS):

- HSS: archaeology, visual arts, history, art history, geography, philosophy
- Law and political science
- Economics, management, computer science, applied mathematics.

**MASTERCLASS MSCA
POSTDOCTORAL FELLOWSHIPS**

 1-5 June 2026

Paris, Campus
Condorcet
